Shade Pergolas | Rain Proof Pergolas | Eyebrow Pergolas

Materials | WHAT SETS US APART

We built one of our pergolas without the exterior vinyl
so you can see the strength that resides within...
And then we set a car on top!

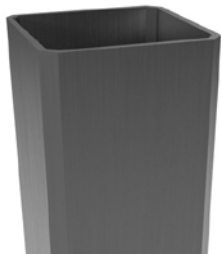

Material Features

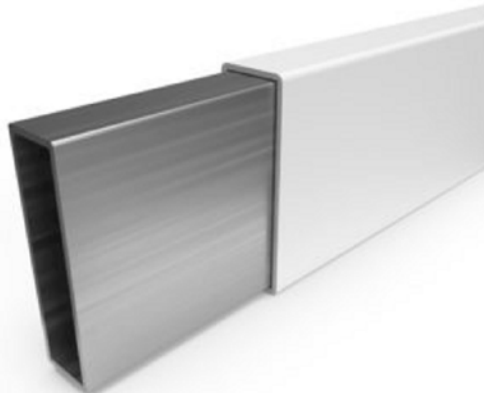

Everything from our wall-mounted Eyebrow Pergolas to full size Shade and Elements Rain Proof Pergolas, are created with the same high-quality materials for **unmatched** strength, durability and versatility.

Our system is engineered to handle snow, wind, rain and heat.
Hurricanes, Santa Ana Winds, Desert Sun or Heavy Snow Loads - We have you covered!

FULL LENGTH STRUCTURAL
ALUMINUM POST INSERTS
FOR STRENGTH

ALL BEAMS AND RAFTERS,
BOTH 2X6 OR 2X8, HAVE **FULL**
ALUMINUM SUPPORT

Shade Pergolas | TRADITIONAL

Unlimited Sizes

Our pergolas are custom designed for you! Common kit sizes start at 8' and our pergolas can span up to 22' between posts. Additional posts can be added for larger pergolas as needed. Need a 20' x 40' pergola - no problem!

FREESTANDING

The post mount attaches to your deck, concrete pad, pier or landscape column cap

ATTACHED

One side of the pergola is attached to your structure by rafter hanger

COLORS

White

Black

Sandstone Tan

Shade Options

Our angled purlins allow ambient light to pass, while harsh direct sun is filtered to your desired level of shade. Standard & Narrow are the most popular for true shade & heat reduction.

WIDE

50% shade - 6" on center spacing

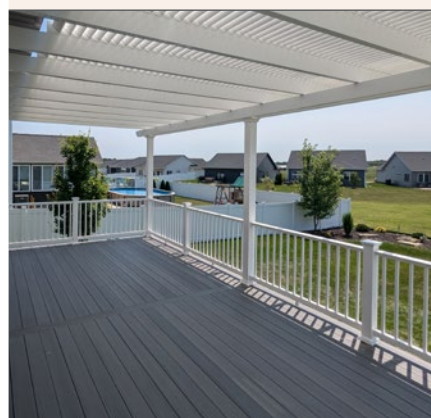

STANDARD

75% shade - 4" on center spacing

NARROW

90% shade - 3" on center spacing

Shade Pergolas | TRADITIONAL

POST STYLE OPTIONS

Customize the look of your pergola by choosing your exterior post detail. All post details have the same rugged aluminum internal mount.

Rain Proof Pergolas | ELEMENTS

**ELEMENTS BLACK PERGOLA
WITH GLACIER WHITE ROOF**

Take everything you love about our shade pergolas but add a solid roof to escape the rain! Perfect for your outdoor kitchen, over a hot tub, or an outdoor seating area. Enjoy the outdoors *rain or shine*!

**ELEMENTS BLACK PERGOLA
WITH SUNSET BRONZE ROOF**

**ELEMENTS WHITE PERGOLA
WITH GLACIER WHITE ROOF**

Why Elements?

- Polycarbonate panels attached to a pergola frame
- Standing seam panels are watertight
- Blocks 100% of UV rays
- Allow ambient light to pass through
- Engineer approved for wind & snow loads
- Hail proof to 3/4"

Polycarbonate Roof Colors

GLACIER WHITE

Glacier White is a crisp clean white that provides full UV protection while still permitting filtered sunlight to the space below.

SUNSET BRONZE

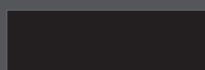

Sunset Bronze has a smokey gray tint that glows bronze in the sunshine. It also provides full UV protection while still permitting filtered sunlight to the space below.

Eyebrow Pergolas | Exterior Accents

No Hassle *Curb Appeal*

Eyebrow Pergolas are a wall-mounted, maintenance-free, stylish accent for your home's exterior. They add architectural interest and curb appeal to your home! Eyebrow Pergolas are perfect over garage doors, windows, and exterior doors.

The exterior is premium vinyl, paired with our strong and durable aluminum reinforcement. The combination makes our Eyebrow Pergolas a long-lasting home accent that require no painting and will not sag, warp, or rot.

Our installation guide and easy to follow video tutorials makes it easy for any DIYer to install!

Eyebrow Pergolas are available in 2' x 8', 2' x 12', 2' x 16', 2' x 20', 2' x 24' and 2' x 28' kits.

You can trim any kit down to size or combine multiple kits to span the distance needed!
