

ENGINEERED TO LAST BEAUTIFULLY

# TimberTech AZEK Decking

AZEK® Decking is engineered to look and feel like real wood. Crafted from a proprietary blend of cellular PVC and acrylics, AZEK® outperforms composite decking in every product category. Superior stain, fade, scratch and moisture resistance are backed by the AZEK® warranty. You can trust that your AZEK® deck will look beautiful for as long as you own your home.
